

THE EDUCATION OF WOMEN.

In an article in the May *Delineator*, Miss Clara E. Laughlin defines the ideal education of women, as: First, to realize herself as a woman; second, to learn what there is for her to do; and third, to study how to do it. This is an evident dissension from the principles of the "higher education." The mistake of some of our modern educators that woman needs a given number of requirements, a given amount of languages, science, literature etc., she deplores and rightly, for unless these conduce to make one a more worthy woman, a more useful member of society, they are as naught. A little more of the wisdom of our grandmothers and less of metaphysics and economics in the feminine educational system will work for its betterment.

OZONO AND CEDROLINE.—The new, non-falling and infallible hair treatment for the human hair. OZONO and CEDROLINE, used conjointly, cannot fail to lend to the hair length, lustre, life, and beauty. One year ago the directors of the BOSTON CHEMICAL CO., with the sole purpose and intention to produce an absolutely perfect and reliable treatment for the hair, appropriated the sum of \$6,000 for this purpose alone. The services of three of the world's most noted chemists were secured, who, after twelve months of investigation and costly experiments, have successfully formulated a treatment so potent and powerful, yet so harmless and innocent, that its immediate effects upon the hair border upon the miraculous. This treatment can be used in all falls and confidence, as it is certain to produce results most gratifying, causing the hair to grow long and luxuriant, straight, and of a most delicate and pliable texture. It prevents the tendency of the hair to draw up, contract, curl, and tangle, thus making it easy to dress the hair in any style desired. It causes the hair to grow out on all bald spots, scalp partings, thin places, and bare temples. It is sure to prevent the hair from falling, breaking off, and splitting at the ends. This great combined treatment is now the most wonderful remedy for the hair in the whole wide world.

The most generous offer ever made by any firm on earth. Cut out this advertisement, and send to us, with only \$1.50, and, immediately upon receipt of same, we will send to you a full and complete treatment, consisting of two extra large boxes of OZONO, King of all Hair Tonic, worth \$2.00; also two large bottles of CEDROLINE, the lightning Hair Grower, worth \$2.00; also one bottle of OZONO and CEDROLINE, the lightning Hair Grower, worth \$2.00; also one bottle of our celebrated and renowned POWDERED EGG SHAMPOO, worth 25c.; and one 1-pint package of ANTI-ODOR, the most wonderful toilet specialty of the day, worth 25c. This grand collection, worth in all \$5.00 will be sent on receipt of \$1.50 and your name and address, with full, plain, and complete directions, together with our beautiful Souvenir Catalogue, justly called the toilet educator of the day.
